Professional Experience

Web Development Intern, *SoftTechBee*   06/2025 – 07/2025

Successfully completed a 1-month internship focused on front-end web development. Gained practical experience in designing and developing responsive websites using HTML, CSS, and JavaScript. Strengthened knowledge of web design standards, DOM handling, and client-side scripting to improve user experience.

Education

Sant Longowal Institue Of Engineering & Technology , B.E.   2023 – 2026
CGPA : **7.34**

Government Polytechnic Pilibhit, Diploma   2020 – 2023
Percentage : **77.27%**

Projects

Spotify Clone

Developed a responsive Spotify-inspired music player using **React**, **HTML**, and **CSS**. Implemented core features like **play/pause controls**, **dynamic song list**, and a **now playing UI** using **React components** and **state management**. Used the HTML element for playback and focused on replicating Spotify's modern UI design.

Password Generator

Built a secure and functional password manager using **HTML**, **CSS**, and **JavaScript**. Allowed users to **generate strong passwords**, **store login credentials**, and **retrieve saved data** securely using **browser's localStorage**. Focused on creating a clean, responsive UI and implemented **form validation**, **copy-to-clipboard** functionality, and **password strength indicators** to enhance usability.

Skills

Programming Languages: **Web Technologies:**
C++, Java   HTML, CSS, JavaScript, React

Others
OOPS, DBMS, SQL

Achievement & Soft Skills

- **Member,** SLIET Alumni Association

- **Member,** SLIET Software Development Club

- **Member,** TechFest'24 (Plexus)

- Scored 98.86% percentile in **Naukri Campus Young Turks 2024**

- Two Days National Workshop on Implementation Pathway of Nation Education Policy - 2020
